

## How to get pledges

Come up with a sales pitch:

*Hi, I play softball with the North Shore Girls Fastpitch Association.*

*I'm asking for pledges for our annual ball toss fundraiser. The money we raise is used to buy uniforms, bats and balls.*

*Would you like to sponsor me?  
You can sponsor by the foot, or  
you can make a flat pledge.*

Whether you get a pledge or not,  
always be polite and thank  
people for their time.

## Where to get pledges

- Family and friends
- Neighbours (always have an adult go with you when fundraising)
- Have your parents take the form to work
- Remember: even small pledges add up!
