

How to get pledges

Come up with a sales pitch:

Hi, I play softball with the North Shore Girls Fastpitch Association.

I'm asking for pledges for our annual ball toss fundraiser. The money we raise is used to buy uniforms, bats and balls.

*Would you like to sponsor me?
You can sponsor by the foot, or
you can make a flat pledge.*

Whether you get a pledge or not,
always be polite and thank
people for their time.

Where to get pledges

- Family and friends
- Neighbours (always have an adult go with you when fundraising)
- Have your parents take the form to work
- Remember: even small pledges add up!
